Eat Cookies To REDUCE!

Reduce by eating delicious cookies! Not pills, powders or drugs, but succulent, appetizing cookies developed by a team of famed scientists and pastry chefs to blend appetite appeal with "R-21," the "will power factor" that keeps you from over-eating at meals.

Fresh from the bakery, you'll relish their mouth-watering goodness, between meals, late-at-night snacks... whenever you're hungry.

Don't suffer hunger pangs. Don't tamper with nature. Lose weight by munching EETS, the cookie-snack that helps you lose up to 10 pounds as much as 10 pounds the first 9 days. Giant supply only \$3. Sold on a money-back guarantee.

Stop Bad Breath!

Kills odor bacteria better than chlorophyll... better than tooth paste!
